

**We're on the world's best assembly lines.
Shouldn't we be on yours?**

Custom Applications

Often, applications arise that call for a custom tooling solution. Pentagon EMS has **successfully addressed many custom applications** by designing and manufacturing tooling such as Label Alignment Fixtures, Final Assembly Jigs, Heatsink Alignment and Bending Fixtures, Lead Trimming and Forming Tools, and more. If you have an application requiring specialty tooling, let our designers create the solution for you.

- Lead Trimming and Forming Tools
- Heatsink Alignment and Bending Fixture
- Final Assembly Jigs
- Label Alignment Fixtures
- Hand Soldering Fixtures
- Robotic Soldering Fixtures
- Component Presses
- Usability Guarantee
- Rewards Program
